

MSAPMPER205B Enter Confined Space

DURATION: 2 days

PRICE: \$770 per person

DESIGNED FOR: This course is designed for personnel who are required to enter a confined space as part of their usual work routine, and who also have responsibility of being the Permit Holder or Stand-by person.

PRE-REQUISITES: None.

CO-REQUISITES:

- MSAPMPER200B Work in Accordance with an Issued Permit

DESCRIPTION: This competency unit covers the control of entry to confined spaces, for maintenance, servicing of vessels or other necessary reasons. Work in/entry to confined spaces shall conform to relevant legislation and AS2865/2001, or its authorised update or replacement.

It is expected that all persons entering a confined space, and the standby person, will be competent to enter confined space. It is required that all team members will be trained in incident response including first aid or CPR.

Trainees will learn the knowledge and skills necessary to safely work under supervision in a confined space, including the selection, use and maintenance of personal protective equipment, understand the permit system, know the limitations of the permit under which they are working, and comply with all the requirements of the permit.

CONTENT: It is essential that competence be demonstrated throughout the duration of the course:

- Identify confined spaces and their hazards
- Develop risk control procedures, Job Hazard Analysis (JHA), and permit systems
- Prepare the confined space for safe entry
- Operate gas detection & ventilation equipment
- Select, use and maintain height safety equipment for vertical access & rescue
- Select, use and maintain respiratory protective equipment, including filter-type respirators & external air-supply (long-line)
- Demonstrate basic emergency preparedness

ELEMENTS OF COMPETENCY FOR ENTER CONFINED SPACE:

- MSAPMPER205B/01 Assess confined space for entry
- MSAPMPER205B/02 Use safety equipment and clothing
- MSAPMPER205B/03 Control confined space entry
- MSAPMPER205B/04 Conclude confined space operations

ELEMENTS OF COMPETENCE FOR WORK IN ACCORDANCE WITH AN ISSUED PERMIT:

- MSAPMPER200B/01 Identify the scope of the permit
- MSAPMPER200B /02 Prepare for permitted work
- MSAPMPER200B /03 Work in accordance with an issued permit
- MSAPMPER200B /04 Complete permit to work

ASSESSMENT: Assessment of underpinning knowledge will be by way of oral questioning and completion of a workbook. Trainees will also be required to demonstrate competence through practical scenarios simulating work tasks requiring entry to a confined space.

CERTIFICATION: On successful completion of this course, trainees will be issued with a Statement of Attainment in MSAPMPER205B Enter Confined Space and MSAPMPER200B Work in Accordance with an Issued Permit.

DELIVERY METHOD: 6 hours of classroom theory PowerPoint presentations, including audio-visual material, practical desktop activities and discussion.
10 hours of practical components using specialised equipment in a range of work simulated scenarios.
